Re: American Hospital Association Political Action Committee
FEC ID No. C00106146

Dear Mr. Francis:

This is in response to your request for additional information on the August Monthly Report (7/1/97-7/31/97) of the above-referenced political committee.

This will also confirm your conversation with the Committee's legal counsel on Friday, October 10, 1997. In that conversation, you instructed the Committee to amend its report by disclosing in Block A of Page 1 for Schedule B for Line 23 the name of the vendor to whom payment was made for the in-kind contribution to the candidate. As our counsel told you, the Committee has previously been instructed to report, and had been consistently reporting, the name of the candidate in that box.

Enclosed, pursuant to your instructions, is an amended Schedule B for Line 23, showing the name of the vendor in Box A. The Committee will report any future in-kind contributions in the same manner.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Al Jackson
Treasurer

Contributions to AHA/PAC are used solely to support candidates for federal office.

Contributions to AHA/PAC are not deductible as charitable contributions for federal income tax purposes. Federal law requires political committees to provide the name, mailing address, occupation and number of employees for each individual whose contributions aggregated in excess of \$200 are included on the report.
